TMRU : [REDACTED] 12 November 1958  
Chief, Industrial Division, ORR  
Chief, Electronic Equipment Branch, D/I

Special Requirements on the State Committee for Radioelectronics,  
USSR.

In order to exploit fully the possibility of eliciting information on the USSR State Committee for Radioelectronics from the Soviet Electronics Team presently on tour in the U.S., the following general statement on priority gaps in intelligence and specific requirements are submitted. It is suggested that [REDACTED] be briefed on the requirements which are considered appropriate.
